

KLB Area Leader Report

- **Important:** Please return your report ASAP after your cleanup.
- One report per cleanup date/event is preferred.
- Photos are always welcome for social media posting.
- Email reports/questions to both: Judy (klbhillsborojak@gmail.com)
Richard (rdwoodr123@gmail.com)
- Report any Adopt-A-Highway (AAH) support in the AAH/Special Projects section only.
- For additional reporting space, use the back of this form or add extra pages.

Area: (Refer to area leader list (e.g., Sterling))	Subdivision: (Refer to area leader list (e.g., Cascades))
Area Leader Name(s):	Clean-Up Date:
Locations Cleaned: (List/describe road numbers/names, trails, waterways, parks, etc. that were cleaned.)	
(Litter collected – # of full bags collected. Add half/partial bags for full bag counts, or explain half/partial bags.)	
Comingled Recycling:	(Paper, cardboard, glass/plastic/aluminum/tin containers.)

Other Trash: (Describe misc./big items collected that were <u>not</u> accounted for above.) Window, plastic car bumper, wood pallet. Weight: 70 pounds (Estimated weight in pounds.)	
Reused/Repurposed Litter: (Items taken home to extend its useful life (e.g., bucket, trash can, baseball, etc.)) Wood pallet, 5 gallon bucket Weight: 35 pounds (Estimated weight in pounds.)	
Volunteers: 5 (How many volunteers participated in the cleanup event?) Hours Worked: 1.5 (How many volunteers participated in the cleanup event?) Volunteer Hours: 7.5 (Total number of volunteers multiplied by the number of hours worked.)	
Miles Cleaned: 1.25 (Estimated number of roadside miles cleaned (both sides, and median if applicable)). (Also include estimated number of miles of trail and/or waterway cleaned.)	
Organizations that helped: (Scout Troop #, School, etc.) Cub Scout Packs 12, 3456 Girl Scout Troops 345, 6789 Rockefeller Elementary School	
AAH/Special Projects: (Describe any AAH support (e.g., loaned pick-up sticks, vests, retrieved recycling, etc.) or special projects (e.g., collected cigarette butts for recycling) associated with this cleanup event.) Project Clean Creek – Provided bags & pickup sticks to clean Silver Branch stream. Provided 4 vests, 4 pick-up sticks, and blue bags to Ace's Auto to clean 2 mile AAH section of Rte 456 between Routes 123 & 789; took 3 bags to recycling center.	
Problem Areas / Comments: (Please note any difficulties with the clean-up, excessively littered areas, general observations (e.g., large amounts of cigarette butts), or comments/concerns you feel may be useful for KLB to note and possibly assist with for future cleanups. Any questions are always welcome and encouraged.) Many cans and bottles outside Greenback Village along Route 555. Narrow roadsides, high speed traffic, and bad visibility are challenges for clean-up.
