

KEEP LOUDOUN A BEAUTY FOREVER

I think we should keep Loudoun a beauty because I see lots of trash all over the place like near the baseball field and in ditches. We should keep our town a beauty because if we throw trash in the roads and sidewalks we get more lazier and more messier of picking up our trash. We give the volunteers more work of picking up trash and they want to keep Loudoun a beautiful place to visit.

Please let's pick up our own trash and
someone else's trash.
